*The Miracle
of Being With You*

そこにある君との奇跡

LOVE LETTERS to + from Wangfeng's Sister Peixian

Do miracles exist?

You
know,

I thought
that we
would be
like this
forever.

no matter how
others might
see you,
you'd be there.

That you
would
always be
by my side.

... That,
no matter
what,

... I...

You
know,

I didn't
think that
we would
be like this
forever.

The insecurity
from going
through that
so many times
has left a
scar on my
heart that
won't go away.

The more fun
I have,
the more
I wonder
whether this
truly is the
place where
I belong.

... But

I'm finally able
to have a normal
school life after
changing schools
and moving
homes so many
times...

... I've...

had to

move around a lot
because of my parent's work.

I never really became part
of anyone's memories.

the memories of
people I don't
know.

with nothing
more than

So, my
yearbook is
filled

... That's
why...

..... I

You
know,

Even though
I know it
won't happen.

and I can't
tell anymore.

I feel too
happy
sometimes

I can't help
but feel

that someday,
just like that.

these days
will come to
an end.

for you
to just

it would
be so easy

After all,

let go of my hand.

sometimes
I'm a little
cowardly.

That's
why

God,

is it
really
okay

with someone?

to be
in love

for a person
like me

Isn't it beautiful?

Ah, it's nothing really.

Hm? What are you laughing at?

Heheh

Geez... I said I'm sorry for not noticing your feelings for so long!

I'm sorry I'm so dumb!

I just never thought that we'd be together

It makes me so happy

Heheh... I can't help but smile

W~Well
You didn't say
anything either,
Nazami!

How am I
supposed to know
if you don't
tell me?!

Are you
really sorry?
You made me
wait two whole
years for you to
come around!

You even told other
people's love fortunes!
You get scared of doing
the weirdest things!

Yeah,
right!

It might not seem
like it, but I'm a pure
and innocent maiden
at heart, you know?
There's no way I
could confess to you

That's what
I've always believed.

There's no way
I could be special
to someone.
I can't even
become part of
other people's
memories.

So I can't help
but think that this
happiness is either
a whimsical trick of
God or some kind
of miracle...

Er?

Nozomi.

Owl

to flick you in the forehead if you start saying weird things

Nozomi's the one who told me

You're acting like Nozocchi!

Owl. Owl! What the heck was that for?

— You really are an idiot

— You do remember who's been with you these past two years, right?

The person who's loved you that entire time

— Do you really not believe me?

Me
Ayase Eli.

I.....

I

but I really,

felt a little
scared for a
moment there,

really just.....

Your blonde
hair...
your blue
eyes...

You really are
so beautiful...

ああ

...Nazomi

Esch

L

G-Geez...!

I hope you appreciate the one I bought for you as well!

Hehe, just kidding

I think that might have been my favour to present!

Hehe

Merry Christmas, Nazami

Of course!

You will too, won't you, Nazami?

Of course I will~

Just kidding!

Just one
tiny,

Not even
a big one.
A small one
would be
fine.

Hiding
behind my
tears and
searching
for a
miracle.....

Maybe.....
I really
have been
searching all
this time.

little.....

miracle...

I actually

But

kind of

all along.

I had the
miracle of
being by
your side.

... That
and

I found this
special place
where I truly
belong.

These miracles
have been here
all along.

LOVELIVE! ED + New!! Waterfall Stage Picture

Thank you very much for picking up The Miracle of Being With You.
My name is Takano Saku

... I got the idea for this story from the 2nd season OP, "That is Our Miracle"
 ... Listening to this OP overwhelms me with all kinds of feelings... though I can't quite put them into words. As a fan, I really cherish this song. To be honest, I was originally hesitant to make a doujin on such a senseless topic, and I'm still hesitant about it, but I really wanted to express all of these feelings the song evoked in me.
 ... Yup, I really love everyone in pjs! I really can't explain it well, but I think this is enough, maybe. I guess that's one of the best parts of making fan works, in a way.

So there's NazdEl UR cards in School Idol Festival...
and they're on a Christmas daaaaateeee! They have this super couple-like feeling
about them lately and my heart can't take it! I want moaaaaateeee!

And that's why I drew the cover art. They really need to hurry up and just get married already. Actually, it's not the right season for that right now, sorry.

As of 10/05/14, 5 episodes of the second season of the anime have been broadcast, so we're nearly up to the halfway point. I'm really excited to see what kind of episodes we have coming up... although there's one word I'm worried about...
production...

Amurda Nozodeki forever!!!!!!
